

Venue

Sinaia is a small picturesque mountain town located at 124 km from Bucharest.

It can be easily reached by car or by train. The nearest airport is situated in Bucharest (Otopeni).

New Montana Hotel is a 4* hotel with comfortable rooms and has all the necessary facilities for conference.

Social programme

The conference social events are also planned to facilitate collaboration and networking.

A trip in the neighborhood of Sinaia is subject to pre-registration; it will be organized during the conference.

Sinaia is one of the most beautiful Romanian resorts, situated in the Carpathian Mountains on the Prahova Valley. All around, the landscape is astonishing.

The **Peles castle**, situated in Sinaia represents the former residence of the Romanian royal family, **(now a museum)**.

Bran castle is a medieval castle at about one hour drive from Sinaia.

Conference aim

Romanian International Conference on Chemistry and Chemical Engineering is quite a well known scientific event for the Romanian and foreign chemists and chemical engineers.

The aim of **RICCCE 18** is to provide a forum for presentation and discussion on the main scientific achievements in chemistry and chemical engineering fields and also to set up contacts between scientists as well as companies involved in research, development and production activities.

Conference topics

1. New Developments in Chemical Synthesis & Catalysis
2. Biochemistry, Food & Health
3. Physical Chemistry;
Electrochemistry & Corrosion
4. New concepts in Biochemical and Chemical Engineering
5. Monitoring &
Environmental Protection
6. New Materials and Nanomaterials

Workshop

Honorary Symposium in the memory of Professor Constantin LUCA "Membranes and Membrane Processes on Environmental Protection"
